Winemaking: Fermented parcel by parcel in stainless vat before ageing in bottle for at least 6 years.

Proefnotities

The appearance: a bright and pale gold colour sparkling beautifully through the fine mousse. The nose is floral to start with acacia, honeysuckle hawthorn and broom then on trough notes of grapefruit and pineapple. On the Palate: a superb set of fruity flavours with notes of warm pastries, rich and sensuous. The effervescence wraps around the senses and the result is a very well balanced champagne with a long serious and complex finish.
