

INDOMITA DUETTE CHARDONNAY

Land	Chili
Herkomst	Casablanca Valley
Producent	Viña Indomita
Druivensoorten	Chardonnay
Type	Wit
Alcohol grade	14,2

Proefnotities

(EN) Bright straw-yellow colour. Interesting harmony of mediterranean fruit aromas like pear, tangerine, and melon quite unusual for a variety that usually boasts tropical fruit. The nose also expresses a great many dried fruit aromas like hazelnut, walnuts, and almonds that blend to perfection with the subtle hints of smoke and caramel from barrel-aging. This is a fresh and creamy wine, young and vibrant due to its daring acidity. Gentle notes of graphite and brine join together to produce remarkable complexity and elegance. Perfect match for salmon, trout, king crab, and butter-based recipes.
