

THE WILD GEESE SINGLE MALT

Merk The Wild Geese

Alcohol grade 43°

Beschrijving

Nose:

The nose is clean, smooth and sophisticated. A wonderful array of layered oak notes.

On the higher notes, ripe, summer berries.

Taste & Finish:

A finely balanced whiskey, smooth with an excellent body. Peppery and spicy with malty oak and a complex sweetness. A hint of vanilla and lingering earthiness. The finish is long on the palate and very satisfying.

Twice voted 'Best Irish Whiskey'. A timeless whiskey, which should be savoured as slowly and smoothly as the whiskey itself.

For the true connoisseur.
