

RED DEVIL, HANDCRAFTED DRY GIN

Merk	Red Devil Gin
Type	Gin
Alcohol grade	37.5°

Beschrijving

Distilled gin is produced exclusively by redistilling ethanol of agricultural origin with an initial strength of 96% ABV in traditional stills, in the presence of juniper berries and other natural botanicals. **Red Devil** is a complex and refined gin, obtained by carefully blending **11** individual batches of distilled **natural botanicals**:

fresh lemon, fresh oranges, coriander seeds, vanilla beans, juniper berries, cardamom, licorice, angelica root, iris root, Jamaica pepper and aniseed.

Eigenschappen

Red Devil is a complex and spicy gin with upfront floral and citrusy aroma's. The taste is smooth with a refreshing hint of spice. Adding tonic brings juniper, cardamom and a little coriander to the party. A real classy gin!

Mixology

Take a copa glass and fill with one ice-ball. Pour 4,5 cl. Red Devil Gin in the glass and then add 12,5 cl. tonic; our favourite combination involves Schweppes Pink Pepper of choice. Finish off with a little garnish, some lemons and juniperberries and enjoy!
